### LexisNexis® Banko Solutions

The bankruptcy landscape has changed dramatically over the past few years. Make sure your account information is up-to-date with Banko®, a unique processing solution that automates bankruptcy notification and streamlines case management. Consolidate and update bankruptcy cases daily from fifty states, the District of Columbia, Puerto Rico, Virgin Islands, and Guam.

Banko® helps you automatically discover, monitor, and manage changes in bankruptcy case information. It searches comprehensive nationwide bankruptcy databases to quickly identify new filings and updates to filings. Banko's deceased search will help you verify deceased individuals in your portfolio.

### Improve recovery rates

Banko® minimizes unnecessary operational expenses and helps you focus your efforts on the most collectible accounts in your portfolio. Banko® is fully customizable to meet your unique data and delivery needs.

### Comply with federal regulations

The automated Banko® bankruptcy notifications limit your legal exposure to stay violations.
