# DURA-PAD®

## PLASTIC POULTRY NEST PAD

**PERFORMANCE:** The rounded tops contribute to the hen's comfort and help to ensure safe egg roll-off. The rounded tops also prevent feathers from clinging to the egg.

**DURABILITY:** Dura-Pad® is made out of high-grade virgin polyethylene to ensure superior wear and longevity

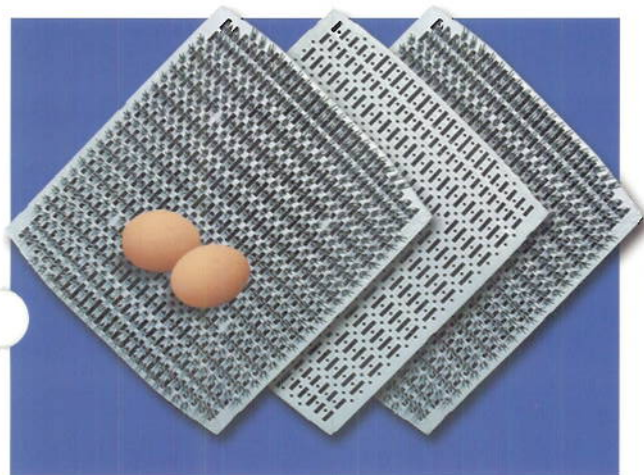

**CLEANABILITY:** Dura-Pad® has holes in the center of each cluster of blades and slotted openings between the clusters to create more open area than any other pad. The increased open space provides better dirt and manure filtration creating a cleaner environment. The larger open area also makes Dura-Pad® easier to clean.

**PRICE:** We manufacture in Dallas, TX and have over 30 years of experience in manufacturing plastic products for the agricultural industry. We manufacture the best quality products at the best price.

**MODEL:** DP12X13

**SIZE:** 11-13/16" x 12-3/4" (30.00 cm x 32.39 cm)

**WEIGHT:** 0.36 lbs. (0.16 kg)

# DURA-RAMP®

## PLASTIC POULTRY NEST RAMP

**PERFORMANCE:** Dura-Ramp® will not splinter, thereby reducing footpad problems experienced with wood ramps. It will easily outlast wood ramps.

**DURABILITY:** Dura-Ramp® is made out of high-impact virgin polypropylene material providing superior impact and wear resistance. The hinge area is reinforced to prevent cracking or breaking. Our solid plastic construction is rot/corrosion proof, resists microorganism build-up and sheds waste easily.

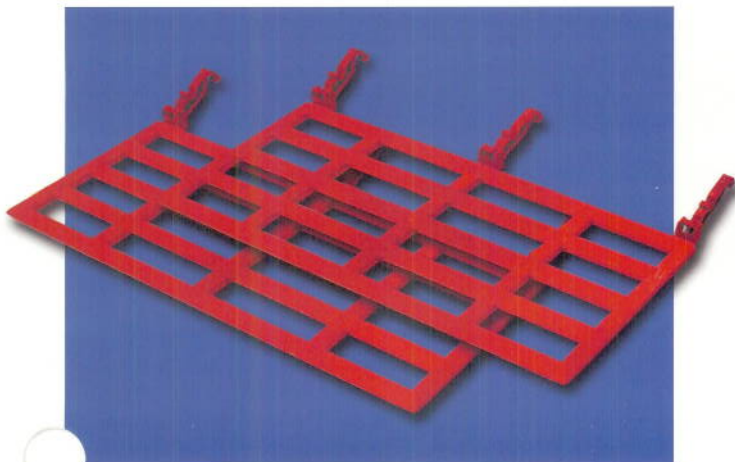

**CLEANABILITY:** Unlike wood ramps, our non-porous smooth surface accumulates no debris or litter resulting in cleaner ramps and nest pads.

**PRICE:** Dura-Ramp® is less expensive than wood ramps. We manufacture in Dallas, TX and have over 30 years of experience in manufacturing plastic products for the agricultural industry. We manufacture the best quality products at the best price.

**MODEL:** DR10X29

**SIZE:** 10" x 29" (25.4 cm x 73.66 cm)

**WEIGHT:** 1.21 lbs. (.55 kg)
