

Masterbox RegalWrap

Now features new product line

Under our private label, RegalWrap, Masterbox is proud to introduce our new product line-AmTopp LoadStar Elite Series!

About RegalWrap: AmTopp LoadStar Elite Series

“Considered the best down gauge film and the most innovative in the stretch film industry with its superior strength”

AmTopp Load Star thin gauge hand wrap is an engineered film offering the uttermost performance at light gauge. Load Star hand wrap provides the highest load holding force possible without puncturing. Its exceptional puncture, superior cling and quiet unwind make it easy to work with, while the excellent clarity allows bar-code scanning capability at every stage in an automated handling environment.
