NOTICE

This product is made under rigid quality control but the user must determine its suitability for its intended uses. The seller and/or manufacturer shall not be liable for any loss, injury or damage direct, indirect or consequential, due to the use or inability to use this product and will only replace it with a like quantity if it is defective. No other warranty, express or implied, is made about its suitability. This can be waived only by an officer of Deleet Merchandising Corp. in writing.

PRISCO QUESTAR CTP PLATE CLEANER is a creamy white emulsion containing ink-cutting solvents, cleaners and desensitizers.

QUESTAR CTP PLATE CLEANER eliminates scumming, tinting, toning, plugging and scratching. Gum has been added for cleaning and short-term storage of plates. **QUESTAR CTP PLATE CLEANER** is safe for use on all types of plates.

DIRECTIONS

1. Shake container well.
2. Apply to plate with damp rag or sponge.
3. Wipe off with clean damp rag unless storing plate. If storing plate, do not remove; buff dry with clean rag.

HANDLING AND STORAGE: This container is hazardous when empty. Keep away from strong oxidizers. Unscrew container cap slowly. Permit all interior air pressure to escape through loosened threads before removing. Contact employer for additional handling instructions and Material Safety Data Sheet.

IN CASE OF FIRE: Use water, CO₂, dry chemical.

SPILLS OR LEAKS: Small Spill - Soak up with absorbent material. Large Spill - Dike and pump into plastic drums. Prevent from entering drains, sewers and waterways. **EMERGENCY:** Contact CHEMTREC (800) 424-9300.
