North is a place where food is handcrafted and sold. It conjures up visions of a rustic farmhouse, offering locals hand-made offerings – anything from wine to olive oil – made with love on premise. That vision is the driving force behind North's menu and casual, family-style ambiance. The restaurant

begs to become every guest's home away from home with abundant community tables and gathering spaces. The heart and soul of the menu is the food. Our pizza and pasta dough is made from scratch, all day long, for every guest. With a great space, great food and a great vibe, bring friends, bring family – there's always room in the farmhouse.
