We offer Electric  or [Hydronic Hot Water Units](#) 

Beautifully designed and crafted, and available in a variety of designer finishes, WarmiTowel® towel warmers are in a class by themselves. Electrically heated, these towel warmers are available in wall-mounted stationary and swing-away designs as well as freestanding cord connected models to complement every décor and location requirement. Each WarmiTowel® is provided with a matched stainless steel built-in heater for controlled quiet heat. Exclusive all-brass construction affords the highest bathroom quality finishes and the most efficient heating. And because WarmiTowel® radiates heat, it becomes an additional source of supplemental warmth. You can see and feel the difference brass makes. WarmiTowel® . . . truly the ideal complement to any bathroom.
