

About Shaw Broadcast Services

Shaw Broadcast Services (SBS), a division of Shaw Communications Inc., is one of North America's largest full service commercial signal distribution networks. SBS delivers more television and radio signals to North American cable companies than any other single-source satellite signal supplier.

- Over 460 English, French and multilingual video and audio signals via 52 satellite transponders from Anik F1R & Anik F2.
- Unparalleled service 24 hours a day, 365 days a year.
- Regularly upgraded network and operating systems to deliver the highest quality products.
