Glass Cleaner
Crystal Clear, Streak-Free Shine

Your car's delicate surfaces are too important to trust to a household cleaner — and glass is no exception. Some household glass cleaners contain ammonia, which may damage automotive surfaces. Armor All® Auto Glass Cleaner is formulated specifically for your car, to tackle the toughest automotive jobs without damaging automotive surfaces. See the results for yourself: sparkling windows with amazing clarity and shine!

- Incredible clarity and shine
- Easily removes filmy residue, road grime, bugs, fingerprints & more
- No streaks or haze
- Ammonia-free! Safe on auto glass!

Tips & Tricks: Instead of paper towels, try using newspaper to clean glass. It provides streak-free results — and even acts as a polishing agent!

For great Tips & Tricks on taking care of your car, visit the Armor All® Owner Center: www.aa-ownercenter.com

Usage Directions:

1. Spray onto glass.
2. Wipe dry to streak-free shine with paper towel or lint-free cloth.
3. For best results, change towels frequently.

Available Sizes:

22oz.
