Technical staffing services from SGS – recruitment, pay roll services, in-country logistics, vendor managed services and specialist staff, anywhere in the world.

Wherever your operations are based, you need to recruit the best manpower resources available. Our technical staffing services offer you cost effective recruitment solutions tailored specifically to your needs. As a result, we can act as your partner, supplying specialist managers, engineers, inspectors and administrative staff, anywhere in the world through our network of offices in over 150 countries.

WHY USE TECHNICAL STAFFING SERVICES FROM SGS?

We offer you over 40 years experience, providing proven world-class technical recruitment and payroll services to clients across the globe. As a result of our unique expertise, reach and resources, we can help you:

- Access the very best personnel through our extensive global databases and social media recruitment technologies
- Benefit from a truly global reach, as our presence in over 150 countries enables us to provide you with specialized local and expatriate personnel wherever and whenever they are required

TRUSTED TECHNICAL STAFFING SERVICES FROM ONE OF THE WORLD'S LEADING SUPPLIERS

As one of the world's most trusted recruitment solution providers, we provide the experience, resources, technology and expertise necessary to secure the very best available personnel. That is why we are first choice for clients looking for trustworthy solutions to their transnational projects.

Our technical staffing services provide dedicated and highly skilled personnel from a broad range of disciplines and industries including:

- Oil and gas – upstream and downstream
- Petrochemical
- Pharmaceutical
- Telecommunications
- Construction – infrastructure and building, architectural, civil and structural
- Defence and aerospace
- Minerals and mining
- Power – conventional, renewables and nuclear
- Shipbuilding and marine
- Finance
- Agriculture and food

Our technical staffing services include:

- Contract and leasing recruitment
- Permanent and headhunting recruitment

- Pay rolling and tax compliant services
- Vendor managed services
- In-country logistics – managing flights, work permits, visas, accommodation and local transportation

Contact our technical staffing team today to discover how we can provide you with cost saving solutions and services.
