

# DEHESIVE® 976 AMA®

WACKER SILICONES

## PRECAUTIONARY MEASURES

Keep container tightly closed. Store in a dry and cool place. Avoid contact with eyes, skin and clothing. Follow standard industrial hygiene practices when using this material. When handling do not eat, drink, smoke or apply cosmetics.

## FIRST AID

Get medical attention if irritation occurs or if breathing becomes difficult. Before seeking medical attention remove contaminated clothing and shoes. Take a copy of the Safety Data Sheet when going for medical treatment. If contact with eyes, immediately hold eyelids apart and flush with plenty of water for at least 15 min. Remove material with a waterless skin cleaner from skin. If contact with skin, wash skin with plenty of water or with water and soap. If inhaled as aerosol, remove to fresh air. Get medical attention if irritation occurs or if breathing becomes difficult. For ingestion, if conscious, give several glasses of water but do not induce vomiting. Never give anything by mouth to an unconscious person. Get medical attention. Treat symptomatically.

For industrial use only. Keep out of reach of children.  
For further information, consult the product MSDS.
