OFFERS PROTECTION AND PROVIDES COMFORT.

At Absorbine®, we know that if your horse isn't comfortable, chances are you won't be comfortable on your horse. UltraShield® now provides four distinct fly control options to help protect your horse from biting and nuisance flies, mosquitoes, ticks, and gnats across a broad range of conditions. That means you can rotate UltraShield® products based on your needs. And that means a happier horse—and a happier you. Like you, we're dedicated to horse care. And we have been since 1892.
