

Indicator, Humidity Card

Specification: MIL-I 8835A (00334)

HM-04 (Humitector)

Material #: 24877027694

100 EACH

MFG: CLARIANT

Batch No. USHD002060 A

DOM: 12/13

Caution

Do not open for a longer period than is absolutely necessary. After each withdrawal, containers shall be tightly resealed. Cards shall be used immediately. For multiple spot cards, the highest indicating spot or the 50 percent relative humidity spot, whichever is lower, must be blue when the can is initially opened. Discard cards if indicating color overruns black borders.

Made in U.S.A.
