- Unreal Anthology contains the original Unreal with the Return to Na Pali expansion pack, Unreal Tournament GOTY edition, Unreal II, and UT2004 Editors Choice.
- From the ruthless artificial intelligence of the original UNREAL, the death gladiator chaos of UNREAL TOURNAMENT and beyond, the Unreal franchise is the king-of-the-hill in multiplayer carnage.
- Using the most advanced 3D engines ever created, mind bending worlds of mayhem and destruction await.
- Defining the first person shooter genre for the last decade, UNREAL has set the standard for the worlds ultimate multi-player experience.
- The entire smorgasbord of frag-dealing weaponry from Unreal Tournament returns for the experienced player to wield masterfully against new contestants.
