PRECAUTIONARY MEASURES

Ensure adequate ventilation. Keep away from sources of ignition and do not smoke. Take precautionary measures against electrostatic charging. Store in a dry and cool place. Keep container tightly closed. Protect against sun. Avoid contact with eyes, skin and clothing. Avoid breathing dust/vapor/mist/gas/aerosol. Do not smoke when handling. Wash thoroughly after handling. Follow standard industrial hygiene practices when using this material.

FIRST AID

Get medical attention immediately. Before seeking medical attention remove contaminated clothing and shoes. Take a copy of the Safety Data Sheet when going for medical treatment. If contact with eyes, immediately hold eyelids apart and flush with plenty of water for at least 15 min. Continue to bathe eyes during transport to medical practitioner. For skin contact, immediately wipe away excess material. Use a waterless hand cleaner to remove as much of the remaining material as possible. Wash with soap and water. If inhaled remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult give oxygen. For ingestion, if conscious, give several glasses of water but do not induce vomiting. If vomiting does occur, give additional fluids. Get medical attention immediately. Designate the product. Show label if possible.

For industrial use only. Keep out of reach of children.
For further information, consult the product MSDS.
