

SIPELL® RE 63 F

2284894318

WACKER SILICONES

PRECAUTIONARY MEASURES

Keep container tightly closed. Store in a dry and cool place. Avoid contact with eyes, skin and clothing. Avoid breathing dust/vapor/mist/gas/aerosol. Wash thoroughly after handling. Follow standard industrial hygiene practices when using this material.

FIRST AID

Get medical attention if irritation or other symptoms occur. Before seeking medical attention remove contaminated clothing and shoes. Take a copy of the Safety Data Sheet when going for medical treatment. If contact with eyes, immediately hold eyelids apart and flush with plenty of water for at least 15 min. For skin contact, immediately wipe away excess material. Use a waterless hand cleaner to remove as much of the remaining material as possible. Wash with soap and water. No special measures required. Inhalation is not applicable. For ingestion, if conscious, give several glasses of water but do not induce vomiting. If vomiting does occur, give additional fluids. Get medical attention if symptoms occur. Designate the product. Show label if possible.

Target Organs:
Female reproductive system.

For industrial use only. Keep out of reach of children.
For further information, consult the product MSDS.
