## PRECAUTIONARY MEASURES

Ensure adequate ventilation. Protect against sun. Keep container tightly closed and store in a cool, well ventilated place. Do not breathe dust/vapor/mist/gas/aerosol. Do not get in eyes, on skin or on clothing. Do not eat or drink when handling. Wash thoroughly after handling.

## FIRST AID

Get medical attention if irritation or other symptoms occur. Before seeking medical attention remove contaminated clothing and shoes. Take a copy of the Safety Data Sheet when going for medical treatment. If contact with eyes, immediately hold eyelids apart and flush with plenty of water for at least 15 min. If contact with skin, immediately flush skin with plenty of water or with water and soap. If inhaled as aerosol, remove to fresh air. If breathing is difficult, give oxygen. If not breathing, give artificial respiration. For ingestion, if conscious, give several glasses of water but do not induce vomiting. If vomiting does occur, give additional fluids. Get medical attention immediately. Show label if possible.

Target Organs:  
No known internal organ effects.

For industrial use only. Keep out of reach of children.  
For further information, consult the product MSDS.
