Lifetime Warranty

- Tempered Glass Lids
- Shatter-resistant glass lids seal heat and moisture in and keep your cooking visible.

- Comfortable Handles
- Anolon SureGrip™ handles are dual-twisted and oven safe to 400°F/204°C with a silicone-wrapped stainless steel core to provide a soft and confident hold.

- Durable Hard-Anodized
- Hard-anodized construction heats quickly and evenly with superior cooking performance.
- Twice as hard as stainless steel and preferred for its extraordinary durability.

- PFOA-Free Metal Utensil Safe Nonstick
- Restaurant-tested by professional chefs, DuPont™ Autograph™ 2 nonstick is safe for use with metal utensils, inside and out.
- Surpasses all other standard nonstick formulas, with maximum food release and easy cleaning.
