## Continuing Education

### Professional Development

Smiths Medical is committed to providing a wide spectrum of continuing education activities to enrich the health-care professional's contributions to quality health care. Smiths Medical offers programs for continuing nursing education CE credit and respiratory care education CRCE credit.

We are proud to sponsor professional learning activities in a wide variety of formats both instructor-led and online learning. These activities enhance your professional development and may be used to meet CE/CRCE requirements.

#### Instructor-led Activities for Nursing CE & Respiratory CRCE

The following CE and CRCE activities are designed to be facilitated on site by an instructor provided by Smiths Medical Clinical Education. Please contact Smiths Medical Clinical Services to discuss scheduling these activities. [Click to view instructor-led course listing.](#)

#### Online Continuing Education Courses for Nursing CE & Respiratory CRCE

The following CE and CRCE activities are designed for online learning. [Click to view online continuing education course list.](#)

Only available in United States

For questions related to continuing education courses contact us at: [continuing.education@smiths-medical.com](mailto:continuing.education@smiths-medical.com)

#### Accreditation – Nursing

Smiths Medical Clinical Education Provider Unit is approved for providing continuing nursing education by the California Board of Nursing, provider number CEP 15005.

Approval as a provider refers only to this continuing education activity and does not imply California Board of Registered Nursing endorsement of any commercial products.

#### Accreditation – Respiratory

Select programs are approved for contact hour continuing respiratory care education (CRCE) credit by the American Association for Respiratory Care (AARC), 9425 N. MacArthur Blvd. Suite 100, Irving, TX, 75063. Program approval refers only to the continuing education activities and does not imply AARC endorsement of any commercial products

#### Commercial Support

These continuing education activities are supported by Smiths Medical North America. Please note that all Smiths Medical training options may not be available in all global regions.
