California Applicants/Employees Only: The report does not guarantee the accuracy or truthfulness of the information as to the subject of the investigation, but only that it is accurately copied from public records, and information generated as a result of identity theft, including evidence of criminal activity, may be inaccurately associated with the consumer who is the subject of the report. An investigative consumer reporting agency shall provide a consumer seeking to obtain a copy of a report or making a request to review a file, a written notice in simple, plain English and Spanish setting forth the terms and conditions of his or her right to receive all disclosures, as provided in Section 1786.26.

Sólo para los Solicitantes/Empleados de California: En el informe no se garantiza la exactitud o veracidad de la información en cuanto al tema de la investigación, sino sólo que se ha copiado exactamente de los registros públicos, y la información generada como resultado del robo de identidad, incluyendo las pruebas de una actividad delictiva, podría estar incorrectamente asociada con el consumidor que sea el sujeto del informe. Una agencia investigadora de informes de crédito deberá suministrarle a un consumidor que trate de obtener una copia de un informe o solicite revisar un archivo una notificación por escrito en inglés y español lisos y llanos, en la que se establezcan los términos y las condiciones de su derecho a recibir toda la información, como se dispone en la Sección 1786.26.

Pursuant to Minn. Stat. Ann. § 332.70(4): The report may include information that has been expunged, sealed, or has otherwise become inaccessible to the public since the date it was collected.

Results pertaining to the subject’s potential criminal background results are only included in the report if there is an exact match between the full name and date of birth provided by the subject and the court record. To ensure the integrity of our results, the criminal information reported appears exactly as it is received from each search. However, if the same information is revealed in numerous criminal background searches, it is only listed once in the report to assist the client in interpreting the findings.

As sex offender, office of foreign asset control and federal criminal offender databases may only list names, information is provided only if there is a complete name match between the subject and the entry in the government records.
