SecureNet® Vehicle Service Contracts

GSFSGroup's High Performance SecureNet Vehicle Service Contracts

GSFSGroup's SecureNet Vehicle Service Contract (VSC) is structured to perform for our dealers, general agents, and consumers, with varied terms and coverage levels. Backed by our own Sentrunity Casualty Company, rated A- by A.M. Best Company, SecureNet shields your customer from financial risks and provides them with mechanical breakdown coverage beyond the manufacturer's warranty. The Sentrunity® backed SecureNet VSC provides your customers with various options and deductibles tailored to their specific needs.

Why SecureNet VSC?*

- SecureNet VSC is the foundation of any dealer participation program and no F&I provider has a greater variety of dealer participation programs than GSFSGroup
