A howl in the distance. The biggest footprint you've ever seen. A blurry figure in the distance. These are the clues that lead us to believe there is something out there—Bigfoot.

Already a fan of the wildly successful FINDING BIGFOOT show on Animal Planet? (One of the top-performing shows in the network's history!) Stacked with information for your burning questions, this heavily illustrated work features a compelling narrative with commentary from the stars of the show, photographs and extras from the Animal Planet's archives, and so much more.

Skeptics will be given all the information they need to decide for themselves if they believe, and enthusiasts will revel in this essential Bigfoot book.
