No part of this documentation shall be physically or electronically produced, transmitted, stored in a retrieval system, or translated into any language in any form or by any means, without the express permission of Venturi Wireless, Inc. Information in this publication is subject to change without notice.

Terms of Usage

Use of this software is governed by the terms of our end user license agreement. Please refer to it for all questions about terms of usage.

Downloading

The downloading, exporting, or re-exporting of Venturi Wireless software or any underlying information or technology must be in full compliance with all United States and other applicable laws and regulations. Any provision of Venturi Wireless software or documentation to the U.S. Government is with restricted rights as described in the license agreement accompanying Venturi Wireless software.

Limitation of Liability

Venturi Wireless, Inc., shall not assume liability for any damages, including “Acts of God,” loss of data, lost profits, work stoppage, computer failure or malfunction, cost of cover, or any special, incidental, consequential, direct or indirect damages, arising from the use of this software or accompanying materials.

Trademarks

Venturi is a trademark of Venturi Wireless, Inc. All other product names are registered trademarks or trademarks of their respective companies.

Introduction	7
Chapter Summary	8
Conventions	9
Glossary	10
Additional Product Documentation	13
How a Venturi Optimization System Works	13
Chapter 1: Configuration Settings	17
Introduction	17
Setting Network Parameters	18
Procedure	18
Configuring the Network Interface	20
About Filter and Forward Rules	22
Overview	22
Procedure	22
Procedure	24
Setting Up Static Routing	27
Overview	27
Procedure	27
Static Route Behavior	29
Setting Up Tun Route Configuration	29
Overview	29
Procedure	29
Static Route Behavior	31

Changing the Web Interface Password	31
Procedure	31
Recovering Your Password	32
Procedure	32
Configuring Transport and Managing Bandwidth	34
Procedure	34
Advanced Transport Configuration	36
Procedure	36
About Compression Levels	38
Overview	38
Procedure	38
About GIF Compression Levels	39
About JPEG Compression Levels	39
Setting Compression Levels	39
Procedure	41
Setting the Date and Time	43
Procedure	43
Cache Configuration	44
Overview	44
Procedure	45
Cache Hierarchy - Distributed Cache	49
Overview	49
Procedure	49
HTTP Header Insertion	50
Overview	50
Setting up Remote Access	52
Procedure	52
Subscriber IP Transparency	53
Overview	53
Procedure	53
Health Check Port	54
Overview	54

Procedure	55
DSCP Preservation	56
Overview	56
Procedure	56
Configuring RADIUS Servers	58
Overview	58
Procedure	59
Running a Basic Acceptance Test	59
Overview	59
Procedure(s)	60
About the Venturi Command-Line Interface (CLI)	70
Chapter 2: Administering Your Optimization Engine	71
Introduction	71
Upgrading Software and Rebooting	72
Upgrading Venturi Software	72
About Multiple Image Support	73
Viewing the Venturi Upgrade Log	74
Resetting Factory Default Configuration Settings	74
Scheduling System Reboots	77
Checking Your Resources and Environment	78
Checking Hardware Resources	78
Checking Your Environment Status	79
Checking Your Resource Utilization	80
Running System Checks	82
Customizing Your System Message Logging	90

Configuring Event Thresholds	94
Backing Up and Restoring Your Venturi Optimization Engines	97
Backing up Your Venturi Optimization Engines	98
Restoring Your Venturi Optimization Engines	99

Chapter 3: Monitoring Your Optimization Engine	101
Introduction	101
Monitoring Your Venturi System	102
Transport Statistics	103
Application Statistics	105
Setting up Statistics Logs using FTP	107
Viewing Your System Message Log	107
Analyzing Traffic Trends	108
Traffic Statistics	110
Optimization Engine Load Statistics	130
Cache Statistics	143
Compression Statistics	147
Setting Up SysLog and E-mail Alerts	151
Configuring SNMP	152
User Transactions and Connected/Disconnected Users	155
Disconnected Users	159
Cache Statistics	161
Managing Clients	164
Setting up Client Authentication	164
RADIUS Client Authentication Overview	164
Updating Venturi VClients Automatically	171
Clientless Personalization	179
Clientless Personalization Whitelist/Blacklist	181
Sample Clientless Personalization Page	182
Clientless Personalization Page Configuration	183
Clientless Transparent Intercept	184
Respond to Subscriber Requests for Above URL with Silent Redirection	185
Clientless Extract Subscriber IP Address From HTTP Header (IPE)	187
Explicit and Transparent TCP Keep-Alive	188
About Clientless Transparent Intercept	189
Enabling CLI Clientless Transparent Intercept	189
Turning Off Clientless Transparent Intercept	190
Configuring User Identification	190

Accessing the Venturi Documentation	191
Viewing the MIB Files	191
Viewing the Venturi Optimization Engine Software Manuals	193
Chapter 4: Advanced Topics	195
Introduction	195
Network Integration	195
Firewalls	195
Load Balancing	195
Management Network	196
Client Updates	196
Determining the Correct MTU for Your Network	200
Using Regular Expressions	201
Appendix A: Troubleshooting	203
Introduction	203
Troubleshooting Flow Chart	204
Physical Installation Issues	205
Configuration Issues	205
Website Download Issues	207
Firewall Issues	207
Appendix B: Clientless Configuration Script	209
Introduction	209
Overview	209
Appendix C: Configuration of the RADIUS server	213
Introduction	213
RADIUS server Messaging	213
Configuration of the Free RADIUS server	219
About RADIUS Accounting	220
About RADIUS Accounting CLI Commands	221

Subscriber Information Control (SIC)	221
Terminology Used	221
Overview	222
Uses	223
Procedures	224
Appendix D: Sample Clientless User Guide	227
Introduction	227
Clientless Congestion Control	227
Configuring the Clientless Device	228
Windows PC with Internet Explorer	228
Macintosh® with Internet Explorer	229
Macintosh® with Safari® 1.0.1 (v85.6) or Higher	229
Using Your Clientless Device	230
Troubleshooting	231
Appendix E: Optimization Engine Statistics	233
Venturi CSV Logs	233
Venturi Optimization Engine Statistics	234
Subscriber Statistics	247
Gateway Subscriber Statistics	250
VClient Upgrade Statistics	251
Transaction Logs	252
VClient Disconnect Logs	253
Index	257
