**ONTARIO M10 US ARMY BAYONET**

Newly redesigned for updated specifications, the M-10 bayonet replaces the M9 with additional features: MOLLE / PALS webbing attachment on the sheath, allowing it to fit the Interceptor style body armor or similarly equipped vests, sleek ergonomic handle, and Coyote brown handle & sheath coloring for increased camouflage in multiple environments.

Ontario M10 BayonetThe Dynaflex® Handle isergonomically grooved to reduce hand fatigue with positioning access point for quick redirect of positioning of blade in ...
