

CHIROSENSE™

Balanced sleep for balanced life begins with ChiroSense™.

Designed for spinal health and wellness, ChiroSense mattresses offer a uniquely balanced sleep surface with premium support where you need it most. Developed in conjunction with the International Chiropractors Association for sleep that promotes better health, this unique ChiroSense line is only available through our patient website. Visit www.chromattress.com to learn more.

[ChiroSense 640 Series](#)
These premium mattresses are designed to support your body evenly and properly. Wake up renewed, balanced and energized for your day.

[ChiroSense 720 Series](#)
The models in the ChiroSense 720 Series offer a luxurious quilt surface, superior comfort options and more.

[ChiroSense 800 Series](#)
The ChiroSense 800 Series features beds with the optimum combination of the best in luxury, comfort and support.

All ChiroSense mattresses come with our standard-sized [ComfortTech™ Foundation](#).

Discover the Elevations Foundation. The New Shape of Healthy Sleep.

Elevations by SleepLogic™ is a uniquely angled foundation that allows your entire body to lie from head to toe at a declining slope. Sleeping in this position has been shown to alleviate various symptoms of health issues that may disrupt your sleep, such as acid reflux, snoring and poor circulation.

The Elevations Foundation may be purchased as an option to the ComfortTech Foundation for an additional charge.

The ChiroSense™ Line

why ChiroSense™ is your bed for life.

	640 Series	720 Series	800 Series
SupportSense™	●	●	●
