

AMOREPACIFIC Five Element Healing Massage Therapy

AmorePacific's Five Element Healing Massage is a therapeutic ritual which stimulates the five senses, restores circulation, and soothes stress to ultimately reveal the natural radiance of the skin through an experience of energetic wellness. 110 Minutes of luminescent transformation.

Deep Counseling Professional skin counseling through a computerized lifestyle and personality survey as well as a Skin Analysis Computer (which measures skin's hydration and sebum levels). The Skin Therapist determines the customer's skin condition or type and recommends appropriate Skin Optimizing Solutions. To begin the enjoyment and relaxation of the experiential facial to follow, Green Tea is served.

The Asian Botanical Mixing Bar Unique and rare botanical ingredient selections are available in custom mix masque formulations to remedy special skin concerns.

An Aromatherapy Foot Bath and Foot Massage Enter Fire and Water energies as aromatherapy candles set the mood, and fresh lemon and lemon oils begin to soak the stress away. Sounds of nature soothe as stress knots are professionally massaged away.

Back and Shoulder Massage The body's energy supply is replenished through restful body relaxation.

Facial Massage, Masque and Hand Massage Cleanse and steam to Balance. Hand massage completes body relaxation during the masque. Special facial massage techniques are customized to stimulate and prepare the skin to receive maximum benefits from pure and natural root botanical ingredients in the skin treatments.

Moisture A moisturizing Serum completes the facial massage revealing radiant, healthy, invigorated skin. Cool tea of choice is served as the customer prepares to leave.
