ALUMNAE ASSOCIATION
MOUNT HOLYOKE COLLEGE

50 College Street, South Hadley, MA 01075

Leslie Smith Green '94. Nada Al-Thawr '19.

In 2014 Leslie began an informal program of matching incoming international students with alumnae. Alums provide advice, emotional support, and, often, a well-stocked shower caddy—a luxury students don't think to pack. In fall 2015 Leslie “adopted” Nada, who is from Yemen. The two have formed a close bond, often texting each other daily.
