

Megaphone® customers span the globe and have one thing in common. They appreciate the enhanced communications services supported by Megaphone®. We offer a wide range of size, location, technology, and focus.

Some clients use Megaphone® as a content provider alone, others for unique, customized, telecommunications programs and services.

Whatever the need, Megaphone® maintains its focus on our clients' goals and applies the appropriate design expertise and technology to achieve them.

We began developing client relationships over a decade ago and are delighted that an overwhelming majority of our original and subsequent clients continue working with us today.

For yourself or your business, choose one-on-one, horoscope, directory services, voice chat, and messaging, from Megaphone®.
