*Amounts based on a standard 8 oz. cup.

The amount of ShowTime to feed should be based on your dog's age, weight, and condition. Always observe your dog's response to the food. These are only recommendations.

When switching to ShowTime from another dog food, it's a good idea to allow 7 to 10 days for the transition. Mix increasing amounts of ShowTime with decreasing amounts of your dogs previous food until your are feeding ShowTime exclusively.

Pregnant, nursing and hard working dogs or dogs exposed to cold weather may require 2 to 3 times the recommended amounts. For more information, contact your veterinarian.
