

TV & HOME THEATER SERVICES

We can mount your TV, set up your audio/video products, and connect them all to a home network. We can also protect and repair your home theater system.

Easily Build a TV Mounting Package

It's a breeze to build a Geek Squad® TV Connect and Mounting service package with our handy tool. We'll set up your TV and mount it to a wall, hook up your video devices, and connect it all to your Wi-Fi network.
