	pattern repeat	n/a	Due to the unique characteristics of modular carpets, pattern repeats, pattern run-off and seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.
Color and pattern are subject to normal manufacturing tolerances. Due to variation lots, actual production merchandise is not guaranteed to match this sample.			800.241.4585
