Features & Benefits

It's never been easier to generate local business.

Get Listed in Over 100 Online Local Directories

Your business information will be added to our network of local search partners, including Yahoo!®, Local, Bing™, Maps, YellowPages.com® and Superpages.com® (click [here](#) for a complete list of our partners). For fast results, your business listing will be created in our ThinkLocal directory within 24 hours.

Keep your Business Listing Fresh

You can interact with your business listing at any time and keep it fresh and up-to-date for customers browsing online directories and local search results. As your business changes, update your listing in over 100+ local search sites with a click of a button.

Track Your Results Over Time

We'll track and report your ranking in search engines and online directories based on your keywords. A historic trend will suggest whether you are on the right track or need to make adjustments to your business listing.

Get Immediate Visibility

Once your listing has been processed, you will receive a confirmation email from us with a link to your business listing in our local directory, ThinkLocal®, where you can see your profile.

Check out how easy it is to drive traffic through your doors.
