The G9 Harrington Jacket from Baracuta, a garment that has made a name for itself and become popular over the years due to its versatility and classic, timeless style, is being reinterpreted in a Varsity style for Spring Summer 2018. Coming in cotton/polyester with a breathable Fraser Tartan lining in cotton/polyester. Coolmax®, the G9 Double Stripe features two colourful bands around the chest, a clear nod to classic British university uniforms. Fine-rib hem, inner collar and cuffs. Front flap pockets with button. "Umbrella-inspired" back vent designed to help rain run away. The two-tone logo embroidered on the left side of the chest is a new addition to the Spring Summer 18 collection.
