We provide a range of service level options based on your specific product type. Choose the option that best meets your service needs.

Lenovo Services for Warranty and Maintenance Options (WSU)

If your machine is still within its original warranty period, then you may upgrade your service with Lenovo Services WSU.

Lenovo Services for Warranty and Maintenance Options (/warrantylookup) (WSU) must be purchased during the original product warranty period, and your service term begins concurrently with the product warranty.

Lenovo Services for Post-Warranty Maintenance (MA)

If your machine is out of warranty, OR you have an existing warranty service upgrade (WSU) or maintenance agreement that is about to expire, then post-warranty maintenance (MA Lenovo Services) is right for you.

MA Lenovo Services may be purchased anytime during the life of the hardware, and your service term begins at the end of the hardware base warranty or the end of any other applied WSU, whichever occurs last.
