* Tax deferral offers no additional value if an annuity is used to fund a qualified plan, such as a 401(k) or IRA, and may be found at a lower cost in other investment products. It also may not be available if the annuity is owned by a "non-natural person" such as a corporation or certain types of trusts.

Before investing, investors should carefully consider the investment objectives, risks, charges and expenses of the variable annuity and its underlying investment options. The current contract prospectus and underlying fund prospectuses, which are contained in the same document, provide this and other important information. Please contact your Internal Wholesaler to obtain the prospectuses. Please read the prospectuses carefully before investing or sending money.

Jackson® and its affiliates do not provide legal, tax or estate-planning advice. For questions about a specific situation, please consult a qualified advisor.
