THE ALLIANCE FOR LIFETIME INCOME

You've worked hard. You've planned. You've saved. You've invested. You deserve to retire with the confidence and clarity that a Lifetime Income Strategy* can provide.

Jackson is proud to be a founding member of the Alliance for Lifetime Income. As co-chair of the Alliance's Board of Directors, we're driving the effort to give you access to the information you need to take action. The Alliance brings together industry leaders from 24 financial institutions and subject matter experts all focused on giving you the resources to achieve financial freedom and live the life you want.

We know that navigating information on annuities can be complex. We believe that it doesn't have to be. The Alliance provides straight-forward education on the products that can create income that lasts throughout your lifetime. You shouldn't have to spend your retirement worrying about using up your savings. Learn about ways you can protect[†] your retirement income – and have the potential to accumulate wealth and live the life you've worked for.

You know who you are, what you've accomplished, and how you want the rest of your life to look – The Alliance for Lifetime Income gives you the options you deserve.

^{*} Optional benefits are available for an extra charge in addition to the ongoing fees and expenses of the variable annuity.

[†] Guarantees are backed by the claims-paying ability of the issuing insurance company.

What is an Annuity? An annuity is a long-term, tax-deferred vehicle designed for retirement. Variable annuities involve investment risks and may lose value. Earnings are taxable as ordinary income when distributed and may be subject to a 10% additional tax if withdrawn before age 59½.
