WELCOME TO HILLSBORO

Hillsboro is a master-planned, new home community set within the wooded hills of Helena, AL in Northern Shelby County and convenient to downtown Birmingham, AL.

Situated on 3,600 acres, this new home community is made up of several distinct neighborhoods offering new home-styles for everyone from the first time home buyer, to move-up home buyers to those looking to downsize.

The new homes for sale in this community are totally integrated with a planned trail system that connects to public schools, residential neighborhoods within Hillsboro, and with the important natural resources that enhance the property.

Thoughtfully developed by renowned USS Real Estate (A Division of US Steel), Hillsboro will become your new home town combining a diverse selection of home-styles, award-winning schools and a

village center with convenient shops and services. Hillsboro Alabama marks the return to the American Dream of home ownership.

COMMUNITY

Hillsboro is a new home community with the spirit of the quintessential American hometown — exuding the front-porch-friendly, white picket fence charm of yesteryear with all of the thoughtful traditional neighborhood development planning of today.
