## Start Service (Move In)

Select an option below to request electric service.

We may require a minimum of two business days for us to process your service request using this online service. FirstEnergy will reply via email to confirm our ability to meet the turn-on date requested. If you would like your service request processed sooner, please call our [Contact Center](#) instead of using this form.

By requesting service, you acknowledge that the utility company has the right to check your credit history to determine whether a security deposit will be required to establish service at this address.
