Pomegranate, traditionally known as "The Jewel of the Winter", is acclaimed for its disease fighting antioxidant potential. Pomegranate juice is believed to provide natural anti-viral, anti-fungal and anti-bacterial benefits. Pomegranate provides a substantial amount of Potassium, Vitamin C, Iron, Niacin, Fiber and Ellagic Acid. Pomegranate may also help regulate blood pressure, maintain blood vessel health and reduce Low Density Lipoprotein (harmful cholesterol) oxidation.

AntiOx yourself ™ with 3V AntiOx™ Pomegranate to help promote healthy living.*

DIRECTIONS:
For a refreshing beverage, add 4 parts water to 1 part 3V AntiOx™ Pomegranate. Serve chilled.

Use undiluted for smoothies, cocktails, ice creams, dessert dishes, and milk shakes.

Separation or settling is a normal occurrence when juices have not been artificially stabilized.
