Welcome to Peas in a Pod

Peas in a Pod® (PPI) is a national egg donation agency headquartered in Southern California. We provide services to infertile couples and individuals to assist them in starting and/or expanding their families. Our staff offers a personal and private environment and genuinely takes the time to get to know each prospective parent and donor. Our selective screening process enables us to meet the recipients' and donors' individual needs and provide each party with enough education for a mutually positive and successful experience. Peas in a Pod® is an agency with a background and knowledge of over 18 years in the fertility industry. On a daily basis, we find it very self-gratifying to apply ourselves and establish a difference in a way which assists others in making their dreams of parenthood come true!

Giving back
One precious donation at a time.

Our agency prides itself in giving back to the community by contributing a percentage of each match to non-profit fertility organizations. Our hearts are always open to new opportunities.

Prospective Parents

Peas in a Pod® has a large database of available donors. By filling out our brief and confidential application, you will be provided with a password to log in and view our donor profiles. We are honored that you have taken the time to browse our site and look forward to being a part of your amazing journey into parenthood!
