A killer instinct is all that matters in this extravaganza!

Original Release Date: December 1988

In this action-packed sequel to the popular Contra, players have little time to think. Experience run and gun action as you take on the forces of Scorpion and once again battle the forces of Red Falcon. Stages feature a combination of perspective and 2D levels. Use a variety of powerful weapons and tap into your killer instinct to survive the deadly world of Super C. You will lack a future!

This game is only playable in 2D.

Virtual Console™

This classic game is part of the Virtual Console service, which brings you great games created for classic consoles. [View all Virtual Console games for Nintendo 3DS.](#)
