Founded in 1998, CDN Logistics, Inc. (CDN) is a dynamic transportation and logistics company, with coverage throughout the continental United States, Canada and Mexico. With over 200 years of industry experience, our leadership team is part of what makes us one of the fastest growing transportation and logistics companies in America. CDN offers a wide range of transportation services that include regional, long-haul, expedited, temperature-controlled, dedicated, dry-van, air-ride and flatbed services. CDN's value-added services include freight management, truck brokerage, intermodal, warehousing and distribution.

As a service to you, our terminals are staffed 24/7/365 with transportation specialists who truly care about you and your specific needs. CDN provides modern equipment and qualified professional drivers, dedicated to safety and on-time performance. To simplify your transportation experience, CDN utilizes state-of-the-art technologies that include on-board computers, vehicle satellite tracking, EDI and document imaging capabilities.

At CDN, reliability, flexibility and quality service rule the road. Whether you have a single item, a full truckload or a steady stream of shipments, CDN is there for YOU! We offer the flexibility to meet your every need and the reliability to ensure we can do it on your schedule, not ours. CDN has trained professionals who can handle any of your special shipping needs, including critical appointments and out-of-route geographic locations. Call CDN and "Experience the Difference" for dedication to on-time service and customer satisfaction. CDN will make it happen.
