

Mediaroom for Commercial Hotels

CITRUS® Mediaroom has grown from proven technologies like Mediaroom™ and Cisco Set Top Boxes to be the most robust, scalable and compelling IPTV solution in the hospitality market. Mediaroom is the platform selected by the world's leading IPTV providers and is currently providing service to over 15 million households and over 30 million devices worldwide. CITRUS is a "Telco" grade solution that is designed for maximum reliability and minimal maintenance requirements.
