Legendary creator Matt Wagner returns to both write and draw an all-new tale for the first and most famous of all pulp heroes, The Shadow! Following his critically-acclaimed work on The Shadow: Year One and Grendel vs. The Shadow, Wagner once again lends his masterful talents to unveil "what evil lurks in the hearts of men", joined by talented colorist Brennan Wagner.

For years, Margo Lane has served as The Shadow's faithful friend and companion, the closest and most intimate of all his many agents. But when will that proximity to The Shadow's dark and violent world take its ultimate toll on her? And what effect will his lover's loss have on the driven and brooding Master of the Dark?
