Affiliates of ACON are registered with the SEC as Investment Advisers.

CULTURE & VALUES

NEW PERSPECTIVES WITH AN ADAPTIVE APPROACH

We value teamwork, fresh perspectives and the expertise of others. By drawing on the knowledge of our team and management partners, we encourage cross-fertilization of resources, creating opportunities for collaboration. We have developed a global network of partners to augment our financial and industry know-how.

Among our portfolio companies, we promote corporate social responsibility. We are humbled by owning companies that currently employ over 39,000 people worldwide. We strive to conduct business ethically, honestly and in accordance with world-class environmental and social standards. We work to ensure that each investment promotes goodwill in their host communities, while also building sustainable and profitable businesses. We believe part of doing well is doing good.

HISTORY

A COLLABORATIVE APPROACH TO INVESTING

Founded in 1996, ACON's cohesive leadership team has been investing together for over two decades. Our investing platform benefits from largely separate investment teams and distinct funds focused on the U.S. and Latin America. The teams share resources and industry expertise across regions and take advantage of best practices in managing investments, overall fund administration, accounting and investor reporting.
