OVERVIEW

Outdoor deck and patio flooring is designed to withstand extensive UV exposure and high foot traffic. Each tile is anti-microbial to fight mold, mildew and bacteria.

- Perfect accessory to any outdoor area: front entry, mud room, deck, patio or use around hot tubs and saunas for added comfort and safety
- Simple setup, no toxic fumes, tiles simply "snap" together to create any size, perfect for covering slippery concrete or wood surfaces, no tools or glue required
- Non-slip and slip resistant: great for many applications such as around the pool or to cover unsightly concrete or worn decks
- Easy to clean, low maintenance flooring: tiles can simply be sprayed down with a hose without hassle or worry, it's self-draining feature eliminates water problem areas: made in the U.S.A
- Available in a variety of colors
