The Klipsch RP-8000F Piano Black floorstanding speaker delivers incredible cinematic sound by leveraging our proprietary Tractrix® horn-loaded technology and dual 8" copper-spun Cerametallic™ woofers. Reference Premiere Piano Black speakers undergo a tedious three-layer paint and polish process that results in a deep, vinyl reflection for a bold yet elegant finish.

Features:

- True Piano Black Finish
- 1" Titanium LTS Vented Tweeter with Hybrid Tractrix® Horn
- Dual 8" Spun Copper Cerametallic™ Woofers
- Bass Reflex via Rear-Firing Tractrix® port
- Dual binding posts for bi-wire/bi-amp
- Strong, Flexible Removable Magnetic Grille
- Dimensions: 43.12" x 10.90" x 17.56"
