Sweden- Absolut is a Swedish vodka made exclusively from natural ingredients, and doesn't contain any added sugar. In fact Absolut is as clean as vodka can be. Rich, full-bodied and complex, yet smooth and mellow with a distinct character of grain, followed by a hint of dried fruit.

My Choice

This is my choice for Vodka. I have tried many, recently Tito's. Started as a low-price good mixing Vodka. Popularity drove price up. Still is good for mixed drinks although there are cheaper choices. I prefer my Vodka on the rocks with an olive. For this there is only one for me and that's Absolute. The taste cannot be beat.
