BATHROOM SAFETY AND ASSISTANCE EQUIPMENT

SORT BY

Best Selling dropdown menu

Seventy percent of home accidents occur in the bathroom making it the most dangerous room in the house for seniors. Carex bathroom safety products provide security while blending with your current bathroom decor. Use these products as a collection to create a bathroom with dignity, safety, and peace of mind. Getting in and out of the bath can be hard. Our bathtub assistive devices – such as grab bars and transfer benches – improve bath safety and reduce the risk of injury. These items also serve as handicap accessories and bath aids for elderly people with limited mobility. Bathe with confidence and reclaim one of the most important rooms of your home with Carex bath safety products.
