PRODUCT CERTIFICATION (1)

Compact by Design (Certified by Amazon) products remove excess air and water, which reduces the carbon footprint of shipping and packaging.

Focus on sustainability

Small changes in product size & weight lead to lower carbon emissions.

We created Compact by Design to identify products that, while they may not always look very different, have a more efficient design. With the removal of excess air and water, products require less packaging and become more efficient to ship. At scale, these small differences in product size and weight lead to significant carbon emission reductions.

Here are a few of the many ways products can qualify:

Product Description

Temporarily relieves the symptoms of stiffness, pains in limbs, joints, legs and cramps in calves, feet and legs.

Works for muscle cramps

Reviewed in the United States on August 29, 2020

Verified Purchase

My Primary Doctor recommended this product years ago and I have been buying it ever since. If I forget to take my magnesium (which is needed to prevent leg cramps in the first place) and wake up with a cramp; I pop two pills under my tongue, drink a little water and within 5 minutes the cramp is over. They also sell another type that is listed for PM, just adding another ingredient to help you sleep. You can buy in ShopRite, maybe cheaper too.

If you get leg cramps or body cramps you can't live without these great little pills.. I use them more than I would like but only when needed. Most times just 1 will do the job but sometimes they are so bad I have to use 2 or even 3. I have been using them since my doctor told me about them about 5 years ago.. I LOVE THEM AND NEED THEM
