**Declaration of Frank Jay Hague**

Commissioner for Trademarks

Alexandria, VA 22313-1451

1. The subject trademark was assigned by Scott Pet Products, Inc. to Vision International, LLC on April 1, 2003. In the recording cover sheet, the assignee was incorrectly identified as a corporation of Oklahoma. A second assignment was made by Scott Pet Products, Inc. to Vision International, LLC, a Texas corporation, on November 4, 2003.

2. The two assignments identified the assignee by the name the company was doing business as. The actual legal name of the assignee was Vision Ostrich International, LLC, an Oklahoma limited liability company. Vision Ostrich International, LLC did business as both Vision International and Vision International, LLC. Neither Vision International or Vision International LLC have been legal entities.

3. The undersigned, who was the sole manager of Vision Ostrich International, LLC, utilized the services of an incorporator to create and maintain Vision Ostrich International, LLC. The undersigned was mistakenly informed of the legal name by the incorporator. The undersigned also was mistaken in the company being a Texas entity. Vision Ostrich International, LLC is no longer in business and has assigned all of its interests in the trademark.

4. The mistake in identifying the assignee of Scott Pet Products, Inc. by its commonly used name instead of its legal name and in identifying the state of creation occurred in good faith.

5. The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements, and the like, may jeopardize the validity of the registration, and that all statements made of his own knowledge are true; and that all statements made on information and belief are believed to be true.
